

## 2006 Faculty Mentoring Participants

(Current as of 8-16-06)

| Last Name  | First Name | Title                                  | Department/Unit                                 |
|------------|------------|----------------------------------------|-------------------------------------------------|
| Aanstoos   | James      | Associate Research Professor           | GeoResources Institute                          |
| Banfield   | Catherine  | Associate Clinical Professor           | CVM Clinical Science Department                 |
| Batchelor  | William    | Professor and Head                     | Ag & Bio Engineering                            |
| Bi         | Guihong    | Professor and Head                     | Truck Crops Branch Experiment Station           |
| Bond       | Jason      | Assistant Research Professor           | Delta Research and Extension Center             |
| Briley     | Chiquita   | Assistant Professor                    | Food Science Nutrition and Health Promotion     |
| Brown      | Ashli      | Assistant Research Professor           | Biochemistry and Molecular Biology              |
| Buehring   | Nathan     | Assitant Extension Professor           | Delta Research and Extension Center             |
| Burgess    | Jennifer   | Clinical Instructor                    | CVM Clinical Science Department                 |
| Catchot    | Angus      | Assistant Extension/Research Professor | Entomology and Plant Pathology                  |
| Collins    | Pam        | Director of Gardens                    | Plant and Soil Sciences                         |
| Collins    | Michael    | Professor and Head                     | Plant and Soil Sciences                         |
| Cooley     | Avery      | Associate Professor                    | CVM Pathobiology/Population Medicine Department |
| Coufal     | Craig      | Assistant Extension Professor          | Poultry Science                                 |
| Cunningham | Fredrick   | Clinical Instructor                    | CVM Pathobiology/Population Medicine Department |
| Demko      | Jennifer   | Clinical Instructor                    | CVM Clinical Science Department                 |
| Fountain   | Brent      | Assistant Professor                    | Food Science Nutrition and Health Promotion     |
| Freeze     | Douglas    | Instructor/Agribus Program Coordinator | Agricultural Economics                          |
| Grala      | Robert     | Assistant Professor                    | FWRC - Forestry                                 |
| Gu         | Mengmeng   |                                        | Plant and Soil Sciences                         |
| Hall       | Michale    | Assistant Professor                    | Food Science Nutrition and Health Promotion     |
| Hodge      | Sharon     | Associate Extension Professor          | GeoResources Insititue                          |
| Hunter     | Steve      | Associate Professor                    | FWRC - Forest Products                          |
| Ibendahl   | Gregory    | Associate Extension Professor          | Agricultural Economics                          |
| Johannes   | Chad       | Assistant Professor                    | CVM Clinical Science Department                 |
| Johnson    | Melanie    | Assistant Professor                    | CVM Pathobiology/Population medicine Department |

|              |                  |                                        |                                             |
|--------------|------------------|----------------------------------------|---------------------------------------------|
| Kushla       | John             | Assistant Extension/Research Professor | North MS Research and Extension Center      |
| Leed         | Ann              | Instructor                             | Animal and Dairy Science                    |
| Lefebvre     | Sarah            | Clinical Instructor                    | Food Science Nutrition and Health Promotion |
| Lu           | Shein            | Assistant Professor                    | Entomology and Plant Pathology              |
| Maiers       | Richard          | Assistant Professor                    | FWRC - Forestry                             |
| Memili       | Erdogan          | Assistant Professor                    | Animal and Dairy Sciences                   |
| Mikel        | William          | Professor and Head                     | Food Science Nutrition and Health Promotion |
| Munshaw      | Gregg            | Assistant Professor                    | Plant and Soil Sciences                     |
| Musser       | Fred             | Assistant Professor                    | Entomology and Plant Pathology              |
| Riffell      | Samuel           | Assistant Professor                    | FWRC - Wildlife and Fisheries               |
| Ross         | Matthew          | Assistant Professor                    | CVM Basic Science Department                |
| Sabanadzovic | Sead             | Associate Professor                    | Entomology and Plant Pathology              |
| Sampson      | Blair            | Visiting Research Professor            | South MS Branch Experiment Station          |
| Schauwecker  | Timothy          | Assistant Professor                    | Landscape Architecture                      |
| Senties-Cue  | Carlos (Gabriel) | Assistant Clinical Professor           | CVM - MS Poultry Diagnostic Lab             |
| Seymour      | Michael          | Assistant Professor                    | Landscape Architecture                      |
| Shaffett     | Bobbie           | Associate Extension Professor          | Human Sciences                              |
| Shepard      | James            | Professor and Head                     | FWRC - Forestry                             |
| Shi          | Sheldon          | Assistant Professor                    | FWRC - Forest Products                      |
| Shmulsky     | Rubin            | Associate Professor                    | FWRC - Forest Products                      |
| Smith        | Mariah           | Extension Instructor                   | Computer Applications                       |
| Strckland    | Bronson          | Assistant Extension Professor          | FWRC - Wildlife and Fisheries               |
| Swiderski    | Cypriana         | Assistant Clinical Professor           | CVM - Clinical Science Department           |
| Thaxton      | Peggy            | Associate Research Professor           | DREC                                        |
| Tidwell      | Diane            | Associate Professor                    | Food Science Nutrition and Health Promotion |
| Tietjen      | Todd             | Assistant Professor                    | FWRC - Wildlife and Fisheries               |
| Trader       | Brian            | Assistant Professor                    | Plant and Soil Sciences                     |
| Wang         | Guiming          | Assistant Professor                    | FWRC - Wildlife and Fisheries               |
| Warnock      | James            | Assistant Professor                    | Ag & Bio Engineering                        |
| Watson       | Richard          | Assistant Extension/Research Professor | Plant and Soil Sciences                     |

|            |         |                                       |                                    |
|------------|---------|---------------------------------------|------------------------------------|
| Wilkinson  | Jeff    | Assistant Professor                   | Biochemistry and Molecular Biology |
| Williams   | Mark    | Assistant Professor                   | Plant and Soil Sciences            |
| Wongpichet | Sirilag | Visiting Assistant Research Professor | Poultry Science                    |
| Yuceer     | Cetin   | Assistant Professor                   | FWRC - Forestry                    |
